Stockwave

surprisingly simple sourcing

Always get the right vehicles

Get specific stocking-level recommendations based on your sales velocity and target days supply. Search results are personalized based on your buying preferences, so you only find exactly what you want and need.

Always buy on the money

Know exactly what to pay, based on your exit strategy and profit goals, factoring in reconditioning, transportation and other costs. Stockwave automatically displays the specific profit potential and bid maximum for each vehicle.

Asking Price	\$16,244

Max Bid	\$14,035
CARFAX ONE OWNER HIGH PROFIT POTENTIAL	HIGH MILES
Asking Price	\$16,244
Total Costs	-\$710
Est. Wholesale Transaction	-\$13,600
Projected Profit	\$1,934

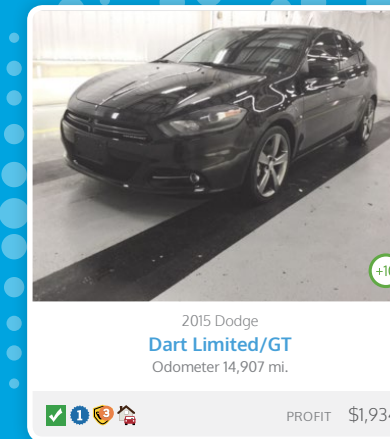

COMPARE PROFILES

Never miss a car — online or in-lane

Get smart, fast decision support for online auctions with direct access to your Stockwave research and valuation data on your desktop as cars run through the lane.

Always find the best deals

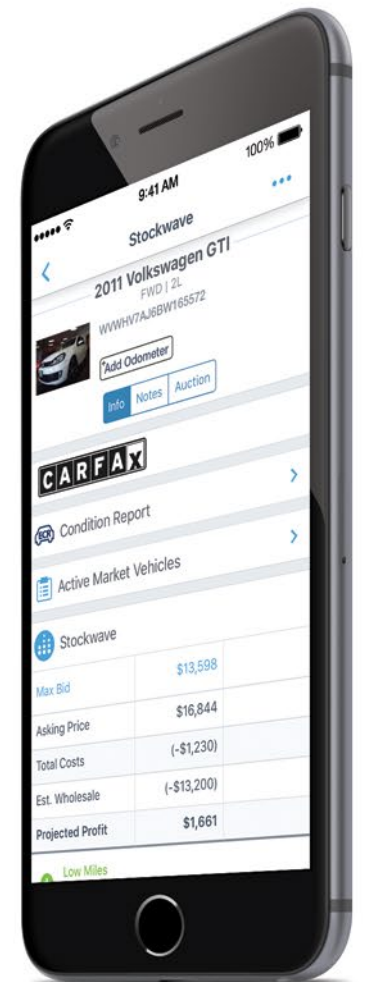

Aggregated listings from multiple auction houses across the country come at you in one constant stream, ranked by profit potential. You'll never see cars that won't gross well — just the ones you should go for.

2015 Dodge
Dart Limited/GT
Odometer 14,907 mi.
PROFIT \$1,934

Never waste time, money or effort again

With Stockwave, wholesale buying is no longer a burden. Just turn it on and see how fast, easy and profitable sourcing can be.

Available on mobile

Stockwave gives you the freedom to source vehicles wherever and whenever you need to, with full access on any smartphone or tablet.
